**Footnotes:**

1. Reported historical results and the calculation of 2011 targets for NAPLAN 'national minimum standard' improvement measures do not include exempt students.

**Approved Variations:**

- Inclusion of Year 7 target group for reporting under mandated NAPLAN measures.
- An average of 2008 and 2009 has been used in WA's target setting methodology for the measure Indigenous students "At or Above National Minimum Standard". However, the assessment of the 2011 targets will be as an improvement from a 2008 baseline.
