

**The Hon Anthony Albanese MP**

Minister for Infrastructure,  
Transport, Regional Development  
and Local Government  
Leader of the House

05 MAY 2009

*Reference: 03150-2009*

Mr David Marchant  
Chief Executive Officer  
Australian Rail Track Corporation  
PO Box 10343  
Gouger Street  
ADELAIDE SA 5000

Dear Mr Marchant

*David,*

Further to my letter dated 26 March 2009, I am writing to advise you that I have now approved variations to the Boom Gates for Rail Crossings Program in NSW to include an additional ten projects under the approved funding. This is based on advice from the Australian Rail Track Corporation (ARTC) that it can accommodate the construction of these additional projects within the \$42.77 million capped allocation.

Please find attached the signed approval instruments prepared in accordance with the *AusLink (National Land Transport) Act 2005*.

I thank you for ARTC's cooperation in relation to the program and look forward to working with you on this important initiative.

Yours sincerely

  
ANTHONY ALBANESE

**AusLink (National Land Transport) Act 2005**  
**AusLink National Project**  
**Variation of Project Approval Instrument No. RPT3030**  
**Variation Instrument No. RPT3033**

I, ANTHONY NORMAN ALBANESE,  
Minister for Infrastructure, Transport, Regional Development and Local Government, under  
subsection 15(1) of the *AusLink (National Land Transport) Act 2005* vary the project approval  
instrument for the project identified below as set out below.

  
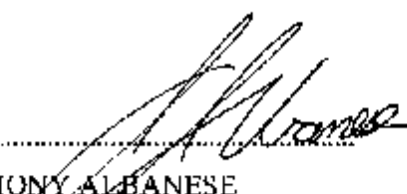

ANTHONY ALBANESE

5.5.09

<b>Project No.</b>	033351-08SA-BGP
<b>Project Name</b>	Boom Gates on National Network - NSW
<b>Project Description</b>	The project provides for (a) the installation of protective measures specified in the Schedule, comprising boom gates and other protection measures including flashing lights, bells, swing gates, lights and associated works at or in the vicinity of the rail level crossings at the locations specified in the Schedule, being locations which are on the National Network; and (b) Other works to enhance safety at rail level crossings at locations which are on the National Network which are approved by me.
<b>Maximum Funding Amount that the Commonwealth may Contribute</b>	\$30,414,222
<b>Variation</b>	To decrease the maximum Funding Amount that the Australian Government may contribute from \$30,414,222 to \$28,772,545.

**AusLink (National Land Transport) Act 2005**  
**Strategic Regional Project**  
**Variation of Project Approval Instrument No. RPT3031**  
**Variation Instrument No. RPT3034**

I, ANTHONY NORMAN ALBANESE,  
Minister for Infrastructure, Transport, Regional Development and Local Government, under  
subsection 15(1) of the *AusLink (National Land Transport) Act 2005* vary the project approval  
instrument for the project identified below as set out below.

  
ANTHONY ALBANESE

5.5.09
