CANBERRA ACT 2600

Dear Minister

Thank you for your letter of 24 February 2009 addressed to Mr John Hargreaves MLA, about the Black Spot Program funding for the Australian Capital Territory.

I am pleased to advise that following the last ACT election I have taken over the portfolios of Minister for Transport and Minister for Territory and Municipal Services. Mr John Hargreaves MLA now has responsibility for the portfolios of Minister for Disability and Housing, Minister for Ageing, Minister for Industrial Relations, Minister for Multicultural Affairs and Minister for Corrections.

I note and agree to the conditions outlined in your letter relating to the Nation Building Package projects and look forward to working with you on these important safety projects. The additional funding support by the Federal Government for the Black Spot Program is greatly appreciated.

Thank you for raising this matter with me. I trust that this information is of assistance.

Yours sincerely

Jon Stanhope MLA
Minister for Transport
