The Hon Anthony Albanese MP
Minister for Infrastructure, Transport,
Regional Development and Local Government
Parliament House
CANBERRA ACT 2600

Dear Minister, *Anthony*

Thank you for your recent advice of approval for Federal Funding of 73 projects for New South Wales under the AusLink Black Spot Program for 2009/10.

This injection of funds into New South Wales will be welcomed by local communities and your consideration of these important locations across our State is much appreciated.

Every effort will be made to ensure that these projects are completed within the nominated timeframes.

Yours Sincerely,

Michael Daley
