Dear Chief Minister

I am pleased to advise of Australian Government funding under the Black Spot Program for seven projects within the ACT for the 2008-09 program year and eight projects under the Nation Building Packages announced in December 2008 and February 2009.

I have:

- approved, under Section 70 of the *AusLink (National Land Transport) Act 2005* (the AusLink Act), the projects listed in the schedules to the attached approval instruments APT7009 and APT3031 - APT3044 as AusLink Black Spot Projects for the purposes of the Act; and
- approved the provision of funding for these projects under Section 78 of the AusLink Act.

Details of the approved projects are set out in the attached instruments and schedules.

As part of the Government's Nation Building and Economic Stimulus Packages announced in December 2008 and February 2009, I ask that the ACT report on the employment impact of the additional Black Spot funding. My Department will liaise with your Department in relation to these reporting requirements.

Yours sincerely
