

Implementation Plan for Queensland's Apprentice Kickstart Pre-Apprenticeship Project

NATIONAL PARTNERSHIP AGREEMENT ON PRE-APPRENTICESHIP TRAINING

PRELIMINARIES

1. This Implementation Plan is created subject to the provisions of the **National Partnership Agreement on Pre-Apprenticeship Training** and should be read in conjunction with that Agreement. The objective in the National Partnership is to assist in achieving the objectives of the National Agreement on Skills and Workforce Development by increasing the number of pre-apprenticeship training opportunities that are available and increasing the number of better prepared individuals having the option of taking up formal Australian Apprenticeship training.
2. The terms and milestones of this Implementation Plan are based on the Application for Funding submitted by Queensland to the Commonwealth. The Application for Funding forms Attachment A of this Implementation Plan.
3. The component of the project to be delivered from the attached Application for Funding is:
 - a. 434 pre-apprenticeship training places in new customised industry models (commercial cookery, landscaping, printing, furnishing, food processing).
4. Through the delivery of the Queensland Apprentice Kickstart project, this Implementation Plan aims to provide school leavers and other young people with the trade related preparatory skills that will assist them to transition quickly through their Australian Apprenticeship pathway, as per Queensland's application for funding.

TERMS OF THIS IMPLEMENTATION PLAN

5. This Implementation Plan will commence as soon as it is agreed between the Commonwealth of Australia, represented by the Deputy Prime Minister, and the State of Queensland, represented by the Minister for Education and Training.
6. This Implementation Plan will cease on completion of the project as specified in this Implementation Plan, including the acceptance of final performance reporting and processing of final payments against project milestones specified in this Implementation Plan.

7. This Implementation Plan may be varied by written agreement between the Ministers or the authorised delegates.
8. Either Party may terminate this agreement by providing *30 days* notice in writing. Where this Implementation Plan is terminated, the Commonwealth's liability to make payments to the State is limited to payments associated with project milestones achieved by the State by the date of effect of termination of this Implementation Plan.
9. The Parties to this Implementation Plan do not intend any of the provisions to be legally enforceable. However, that does not lessen the Parties' commitment to this Implementation Plan.

PROJECT OBJECTIVE

10. The objective of this Implementation Plan is to deliver projects in Queensland which support the objective of the **National Partnership Agreement on Pre-Apprenticeship Training**.
11. The project to be delivered in Queensland under this Implementation Plan has the following objectives:

 - b. target those trade areas most affected by the downturn; and
