

Implementation Plan for Western Australia's Apprentice Kickstart Pre-Apprenticeship Project

NATIONAL PARTNERSHIP AGREEMENT ON PRE-APPRENTICESHIP TRAINING

PRELIMINARIES

1. This Implementation Plan is created subject to the provisions of the **National Partnership Agreement on Pre-Apprenticeship Training** and should be read in conjunction with that Agreement. The objective in the National Partnership is to assist in achieving the objectives of the National Agreement on Skills and Workforce Development by increasing the number of pre-apprenticeship training opportunities that are available and increasing the number of better prepared individuals having the option of taking up formal Australian Apprenticeship training.
2. The terms and milestones of this Implementation Plan are based on the Application for Funding submitted by Western Australia to the Commonwealth. The Application for Funding forms Attachment A of this Implementation Plan.
3. Through the delivery of the Western Australian Apprentice Kickstart project, this Implementation Plan aims to build upon a currently existing model of pre-apprenticeship training managed by the Western Australian Department of Training and Workforce Development to better prepare individuals for an Australian Apprenticeship in their chosen field, as per Western Australia's application for funding.

6. This Implementation Plan may be varied by written agreement between the Ministers or the authorised delegates.
7. Either Party may terminate this agreement by providing *30 days* notice in writing. Where this Implementation Plan is terminated, the Commonwealth's liability to make payments to the

State is limited to payments associated with project milestones achieved by the State by the date of effect of termination of this Implementation Plan.

8. The Parties to this Implementation Plan do not intend any of the provisions to be legally enforceable. However, that does not lessen the Parties' commitment to this Implementation Plan.
