NATIONAL PARTNERSHIP AGREEMENT ON HEALTH
INFRASTRUCTURE

PRELIMINARIES

1. This Implementation Plan is created subject to the provisions of the National Partnership Agreement on Health Infrastructure and should be read in conjunction with that Agreement. The objective in the National Partnership Agreement on Health Infrastructure is to improve the health and wellbeing of Australians through the provision of high quality physical and technological health infrastructure.
2. The funding for this project has been allocated from the Health and Hospitals Fund (HHF). The objectives of the HHF, whilst not replacing State and Territory effort, are to:
 - invest in major health infrastructure programs that will make significant progress towards achieving the Commonwealth's health reform targets; and
 - make strategic investments in the health system that will underpin major improvements in efficiency, access or outcomes of health care.
3. This project is to build an accommodation complex for clients and their carers on the grounds of the Royal Darwin Hospital.

TERMS OF THIS IMPLEMENTATION PLAN

4. This Implementation Plan will commence as soon as it is agreed between the Commonwealth of Australia, represented by the Minister for Health and Ageing, and the Northern Territory, represented by the Minister for Health.
5. This Implementation Plan will cease on completion of the project as specified in this Implementation Plan, including the acceptance of final performance reporting and processing of final payments against performance milestones specified in this Implementation Plan.
6. This Implementation Plan may be varied by written agreement between the Ministers.
7. Either Party may terminate this agreement by providing 30 days notice in writing. Where this Implementation Plan is terminated, the Commonwealth's liability to make payments to the

Northern Territory is limited to payments associated with performance milestones achieved by the Northern Territory by the date of effect of termination of this Implementation Plan.

8. The parties to this Implementation Plan do not intend any of the provisions to be legally enforceable. However, that does not lessen the parties' commitment to this Implementation Plan.
