

Regional Fund for wildlife and habitat bushfire recovery

FEDERATION FUNDING AGREEMENT - ENVIRONMENT

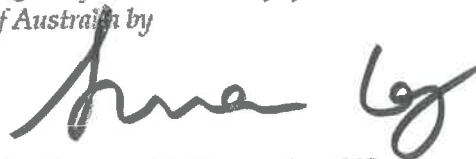

Table 1: Formalities and operation of schedule	
Parties	Commonwealth New South Wales Victoria Queensland South Australia
Duration	This Schedule is expected to expire on 30 June 2022.
Purpose	<p>This Schedule will support the ongoing recovery of bushfire affected wildlife and their habitat for the seven most vulnerable regions following the 2019–20 bushfires:</p> <ul style="list-style-type: none"> • rainforests of south-east Queensland • rainforests of the New South Wales north coast and tablelands • the Greater Blue Mountains and World Heritage Area • forests of the New South Wales south coast • Australian alpine environment • forests and coastal ecosystems of East Gippsland • Kangaroo Island. <p>Funding delivered under this schedule may also be directed to other locations for activities that support recovery of wildlife and habitat impacted by bushfires.</p>
Estimated financial contributions	The Commonwealth will provide an estimated total financial contribution to the States of up to \$110.00 million from 2020-21 to 2021-22-in respect of this Schedule.

Table 2A: New South Wales – Performance requirements, reporting and payment summary

Output	Performance milestones	Report due	Payment
<p>Actions to support wildlife and habitat bushfire recovery activities in the New South Wales bushfire recovery regions: rainforests of the New South Wales north coast and tablelands; the Greater Blue Mountains and World Heritage Area; forests of the New South Wales south coast and the Australian alpine environment. Activities include Traditional Owner led healing of Country; herbivore and predator animal control; vegetation restoration and weed control; erosion control; fire management and species-specific interventions.</p>	Submission to, and acceptance by the Minister for the Environment, of proposals for fire recovery activities in the New South Wales bushfire recovery regions: rainforests of the New South Wales north coast and tablelands; the Greater Blue Mountains and World Heritage Area; forests of the New South Wales south coast and the Australian alpine environment.	Date agreement signed	\$2.406m
	Submission to, and acceptance of detailed MERI (monitoring, evaluation, reporting and improvement) Plans, for each of the agreed bushfire recovery activities.	26 February 2021	\$2.406m
	Completion of scheduled progress from the date this agreement is signed to 31 March 2021 (as detailed in the MERI plans) demonstrated through the submission to, and acceptance of project performance reports.	14 April 2021	\$3.609m
	Completion of scheduled progress from 1 April 2021 to 30 September 2021 (as detailed in the MERI plans) demonstrated through the submission to, and acceptance of project performance reports and financial reports.	14 October 2021	\$8.421m
	Completion of scheduled progress from 1 October 2021 to 31 March 2022 (as detailed in the MERI plans) demonstrated through the submission to, and acceptance of project performance reports.	14 April 2022	\$7.218m
	Completion of scheduled progress from 1 April 2022 to 30 June 2022 (as detailed in the MERI plans) demonstrated through the submission to, and acceptance of Final project reports and financial reports.	Within 28 days of the project completion date, or earlier.	No payment
