Additional terms	<p><b>Dental Weighted Activity Units<sup>1</sup></b></p> <p>Throughput under this Schedule will be measured in terms of Dental Weighted Activity Units (DWAUs), calculated using the Australian</p>																								

Dental Association (ADA) three digit item codes and a weighting for those items as set out in Schedule B-2.

Nothing in this Schedule prevents a State using its own reporting or performance measures within its jurisdiction. However, States will still be required to report to the Commonwealth in the format provided in Schedule B-2.

### **Performance benchmarks or milestones**

The Parties agree to meet the following performance benchmarks, which will be assessed relative to the 2013-14 baseline:

- (a) the States will at least maintain their baseline levels of DWAU, as identified as the 2013-14 baseline; and
- (b) over the life of the Schedule, the States will provide the additional numbers of DWAU set out in Table 2.

Payments will be paid proportional to the achievement against the performance benchmark on a pro rata basis, 100 per cent of funding for achieving 100 per cent of the throughput target. If a performance benchmark is not fully met, the amount of any unmet performance benchmark and the remaining available funding tied to the unmet benchmark may be added to a subsequent period, subject to Commonwealth Budget Rules.

States and territories that exceeded their target (DWAU) in the *National Partnership Agreement for Public Dental Services for Adults* for the period 1 October 2020 to 31 March 2021 may rollover additional DWAU into the 1 April 2021 to 30 September 2021 period in this Schedule.

DWAUs for the period 1 April 2021 to 30 June 2021 which were rolled over into the 'catch-up' period in order to achieve 100% of available funding under the *National Partnership Agreement for Public Dental Services for Adults* are ineligible under this Schedule. DWAs achieved in the 1 April 2021 to 30 June 2021 above 100% of the required activity under the previous National Partnership Agreement for Public Dental Services for Adults are eligible under this Schedule.
