

# Implementation of the Australian Fire Danger Rating System

## FEDERATION FUNDING AGREEMENT – ENVIRONMENT

<b>Table 1: Formalities and operation of schedule</b>	
<b>Parties</b>	Commonwealth New South Wales Victoria Queensland Western Australia South Australia Tasmania Australian Capital Territory Northern Territory
<b>Duration</b>	This Schedule is expected to expire on 31 December 2022, or upon full implementation of the Australian Fire Danger Rating System
<b>Purpose</b>	<p>This Schedule will support the implementation of the Australian Fire Danger Rating System. The new Australian Fire Danger Rating System will improve public safety and reduce the impacts of bushfires by improving decision making enabled by more accurate scientific information. Nationally consistent fire danger rating information will be available to the public, reducing confusion about how to react to a warning.</p> <p>The funding the states and territories receive through this agreement will assist in addressing recommendations 13.1 (Development and implementation of the Australian Fire Danger Rating System), and 13.2 (Education on the Australian Fire Danger Rating system) of the Royal Commission into National Natural Disaster Arrangements.</p>

Estimated financial contributions	<p>The Commonwealth will provide an estimated total financial contribution to the states and territories of \$18.18m in respect of this Schedule.</p> <table><tr><th colspan="3">Table 1</th></tr><tr><th>(\$ million)</th><th>2021-22</th><th>Total</th></tr><tr><td>Estimated total budget</td><td>36.36</td><td>36.36</td></tr><tr><td>Less estimated National Partnership Payments</td><td>18.18</td><td>18.18</td></tr><tr><td>- NSW</td><td>5.285</td><td>5.285</td></tr><tr><td>- Queensland</td><td>1.610</td><td>1.610</td></tr><tr><td>- Victoria</td><td>5.39</td><td>5.39</td></tr><tr><td>- Western Australia</td><td>1.950</td><td>1.950</td></tr><tr><td>- South Australia</td><td>1.985</td><td>1.985</td></tr><tr><td>- Tasmania</td><td>1.395</td><td>1.395</td></tr><tr><td>- Australian Capital Territory</td><td>0.31</td><td>0.31</td></tr><tr><td>- Northern Territory</td><td>0.255</td><td>0.255</td></tr><tr><td>Balance of non-Commonwealth contributions</td><td>18.18</td><td>18.18</td></tr></table>	Table 1			(\$ million)	2021-22	Total	Estimated total budget	36.36	36.36	Less estimated National Partnership Payments	18.18	18.18	- NSW	5.285	5.285	- Queensland	1.610	1.610	- Victoria	5.39	5.39	- Western Australia	1.950	1.950	- South Australia	1.985	1.985	- Tasmania	1.395	1.395	- Australian Capital Territory	0.31	0.31	- Northern Territory	0.255	0.255	Balance of non-Commonwealth contributions	18.18	18.18

- Northern Territory	0.255	0.255																																						
Balance of non-Commonwealth contributions	18.18	18.18																																						
Additional terms	<p>The states and territories will be responsible for providing a financial and/or in-kind contribution to support the implementation of this Schedule.</p> <p>States and territories must ensure the AFDRS is implemented by 1 September 2022.</p> <p>To assist with rapid implementation of AFDRS, a state/territory will be eligible to a payment of the amount specified for that state in Table 1 once the Commonwealth and the state have signed this schedule. It is a condition of funding that each state is required to deliver the outputs specified in their reporting table.</p> <p><b>Implementation Plan</b></p> <ol style="list-style-type: none"><li>1. The AFDRS cutover date of 1 September 2022 was outlined in the project Implementation Plan submitted by the AFDRS Project Board and may only be adjusted by the AFDRS Project Board after the commencement of this Schedule.</li><li>2. States and territories must notify the Commonwealth as soon as practicable if the cutover date set by the AFDRS Project Board cannot be achieved.</li></ol>
