## NATIONAL PARTNERSHIP ON RECYCLING INFRASTRUCTURE

### PART 1: PRELIMINARIES

- A1 This Schedule has been developed in accordance with clause 15 of the National Partnership Agreement on Recycling Infrastructure and should be read in conjunction with that Agreement.
- A2 This Schedule will commence as soon as it is signed by the Commonwealth and the Northern Territory, and will expire on 30 June 2024, or on completion of final performance reporting and processing of final payments against milestones, whichever is later.

### PART 2: DELIVERY OF PROJECTS IN NORTHERN TERRITORY

- A3 Under this Schedule, the Northern Territory agrees to facilitate achievement of the outcomes of the Agreement through:
- a) a competitive grants program open to private sector, non-government organisations and local government applicants for projects that enhance recycling and re-use capacity and capability in regional Northern Territory, and
  - b) an expression of interest, tender or similar process for delivery of a new materials recovery facility servicing currently un-serviced regions in the Northern Territory.
- A4 Projects under this Schedule will be co-funded by the Commonwealth and the Northern Territory without third party contributions, with the Northern Territory to at least match the Commonwealth's financial contribution (including in-kind contributions) to each project.
- a) In-kind contributions from the Northern Territory include land, facilities or equipment to support the delivery of the new material recovery facility or other projects that enhance recycling and re-use capacity and capability in regional Northern Territory. The Commonwealth may, at its discretion, agree other types of contributions as in-kind contributions for the purposes of this Agreement.
  - b) In-kind contributions of land from the Northern Territory must be independently valued and the Commonwealth must be satisfied that the provision of land to project components directly supports the project under this Agreement.
- A5 Officials from the Northern Territory and Commonwealth governments will jointly agree grant assessment criteria in accordance with the eligibility criteria in the appendix to this Agreement. Northern Territory agrees that all pending decisions on successful grants will be provided to the Commonwealth before a final decision is announced, and that prior agreement is reached on the nature and content of any events, announcements, promotional material or publicity relating to projects awarded by states under this Agreement, and that the roles of both Parties will be acknowledged and recognised appropriately.

## PART 3: FINANCIAL ARRANGEMENTS

A6 The Commonwealth will provide a maximum estimated financial contribution of \$5,500,000 to the Northern Territory. All payments are GST exclusive.

A7 The estimated financial contribution to be provided by the Commonwealth is outlined in Table 1.

## PART 4: PROJECT MILESTONES, REPORTING AND PAYMENTS

A8 **Error! Reference source not found.** summarises the project milestones, their relationship to the outputs, expected completion dates, relevant reporting dates and expected payments to be made. The Commonwealth will make payments subject to the Northern Territory demonstrating that the relevant milestone has been met.

A9 Under the Northern Territory's grants program, if the maximum Commonwealth payments are not made in the nominated financial year (e.g. due to lack of acceptable project proposals) the Commonwealth may move funds into a later year at its discretion. The Commonwealth makes no guarantee that unspent funding (if any) will be carried into later years.
