Additional terms	<p>Dental Weighted Activity Units¹ Throughput under this Schedule will be measured in terms of Dental Weighted Activity Units (DWAUs), calculated using the Australian Dental Association three-digit item codes and a weighting for those items as set out in Schedule B1.</p>																																				

States are required to report to the Commonwealth in the format provided in Schedule B2. Data reported should reflect activity delivered in the specified performance period only and not cumulatively. States are permitted to use their own reporting or performance measures within their jurisdiction.

Performance Benchmarks or Milestones

Performance activity is measured from 1 April 2023 to 31 March 2025.

The Parties agree to meet the following performance benchmarks, which will be assessed relative to the 2023 funding activity targets:

- (a) the States and Territories will maintain their State/Territory funded DWAU activity (baseline) level, as identified in Table 2 in this Schedule;
- (b) over the life of the Schedule, the States and Territories will provide the Commonwealth Funded DWAU activity (above baseline) level as set out in Table 2 below.

Payments will be paid proportional to the achievement against the performance benchmarks outlined in Table 2, on a pro rata basis, i.e. 100 per cent of funding for achieving 100 per cent of the Commonwealth Funded Activity DWAU Target.

If a performance benchmark is not fully met, the unmet performance benchmark and the remaining available funding tied to the unmet benchmark may be added to a subsequent period, subject to Commonwealth Budget Rules.

Rollover

DWAUs achieved above 100% of the required activity under the 2022-23 Federation Funding Agreement for Public Dental Services for Adults are eligible under this Schedule.
