  - e. The Commonwealth will expeditiously work with New South Wales to acquit and approve expenditure claims submitted on each project and the Commonwealth agree that New South Wales may withhold further payments to a grant recipient on a

project until the grant recipient's expenditure claims have been acquitted and approved by the Commonwealth.

- f. Where both Parties agree that a project will not proceed to completion, and funding has already been paid, the most the Commonwealth will contribute is:
- i. The percentage the Commonwealth agreed to fund for that project, multiplied by the total expenditure incurred on that project at that point in time; or
  - ii. The total amount the Commonwealth agreed to fund the project; whichever is lower.

6. Notwithstanding Clause 31 of the FFA – AHCSO, the Commonwealth reserves the right to recover an amount provided under this Schedule in accordance with Section 20 of the *Federal Financial Relations Act 2009*, where funding paid by the Commonwealth is greater than the amount acquitted by New South Wales. New South Wales may repay the amount of the overpayment or the Commonwealth may withhold the amount of the overpayment from future HSP payments to New South Wales.
7. The Commonwealth agrees that any amount to be repaid or withheld, under a determination under section 20 of the *Federal Financial Relations Act 2009*, is project specific. The Commonwealth cannot delay payment of any amount due under this agreement in respect of projects that are not the subject of a determination.
8. Under the circumstances set out in Clause 6, the Commonwealth will determine on a reasonable basis whether an amount should be repaid, and if so, with regard to the circumstances of each matter, including factors outside of the state's control, the relevant Commonwealth Minister may make a determination under section 20 of the *Federal Financial Relations Act 2009*.
9. Before the Commonwealth exercises a right to recover funds under Clause 7, the Commonwealth will consult with New South Wales to endeavour to reach a mutually agreed resolution.
