

Expanding access to cervical screening services

FEDERATION FUNDING AGREEMENT - HEALTH

Table 1: Formalities and operation of schedule

<p>Parties</p>	<p>Commonwealth New South Wales Victoria Queensland Western Australia South Australia Tasmania Australian Capital Territory Northern Territory</p>
<p>Duration</p>	<p>This Schedule is expected to expire on 30 June 2027.</p>
<p>Purpose</p>	<p>This Schedule supports States and Territories to expand cervical screening services, supporting the delivery of improved access.</p> <p>Activities under this Schedule will include:</p> <ul style="list-style-type: none"> • Enabling nurses, First Nations Health Practitioners, and midwives to sign Pathology Request Forms for Cervical Screening Tests • Implementing innovative screening models to reach under screened populations including but not limited to LGBTQIA+, culturally and linguistically diverse people and people with a disability. <p>The National Strategy for the Elimination of Cervical Cancer (Strategy) outlines Australia’s commitment to achieving equitable elimination of cervical cancer as a public health problem by 2035 and outlines the objectives and actions needed to achieve this goal.</p> <p>Strategic priority 6 of the Strategy aims to ‘Increase access to screening, colposcopy and follow-up by expanding who can offer these services, and where and how they are offered, to improve reach and uptake’. The funding aligns to priority areas 6.1 and 6.4 of the Strategy.</p> <ul style="list-style-type: none"> • 6.1: Provide a clear pathway to enable appropriately trained registered nurses, Aboriginal Health Workers, Aboriginal Health Practitioners, and midwives to be able to independently request and sign the pathology form for a Cervical Screening Test (and be eligible for Medicare reimbursement). • 6.4: Resource pilots and, where successful, resource scale-up and routine provision of innovative screening models such as peer- led and community-developed services and telehealth approaches. Work with community-controlled organisations to develop models, scale up successful models, and share best practice approaches. <p>This Schedule includes an assessment of activities undertaken and the outcomes achieved under this agreement.</p>
