Table 2 Appendix A – Project Eligibility Criteria

Guidance to the Northern Territory on eligibility for Commonwealth funding under the Horticultural Netting Program.

1. Payments to eligible primary producers will be up to 50 per cent of the costs incurred by primary producers, up to a maximum of \$300,000 for eligible activities undertaken from 14 December 2021.
 - a) The Northern Territory may choose to lower the maximum amount of payments to eligible primary producers.
2. Eligible applicants must:
 - a) Be registered with the Australian Taxation Office as a primary production business and have an Australian Business Number;
 - b) Be property owners, share farmers or lease holders in the horticulture industry;
 - c) Purchase and install protective netting over existing commercial horticultural produce;
 - d) Earn more than 50 percent of their total income from primary production.
3. The land on which netting is to be installed must have an established use of horticultural production prior to 14 December 2021.
4. The protective netting must be purchased and installed to increase horticultural productivity, by reducing the impacts of adverse weather events or animal predation, and to reduce water usage.
5. Protective netting must be purchased and installed after 14 December 2021.
6. Eligibility for the payment applies to the purchase and installation of permanent and throw-over protective netting and associated support structures.
7. Grower co-contributions may include funds provided through loans from the Commonwealth Regional Investment Corporation.
8. To ensure the greatest value for the Program, the following activities are ineligible for funding:
 - a) Projects that have already received assistance from State or Commonwealth grants to achieve the same objectives;
 - b) Projects where the netting and/or associated support structures have been damaged by the bushfires of 2019-20;
 - c) Projects where insurance has been claimed for damaged netting and/or associated support structures;
 - d) Retrospective funding for purchase or works carried out prior to 14 December 2021;
 - e) Feasibility studies, business cases, reports and development plans;
 - f) Costs associated with preparing applications for funding;
 - g) Operational expenditure, including wages, utilities, self-installation, repairs and maintenance;

WITHOUT PREJUDICE

- h) Grapes grown for the purposes of viticulture.
- 9. All funding is to be contracted by the Northern Territory by 30 June 2024 with completion of all works to be finalised by, and payments made to grantees by, 30 June 2025.
- 10. It is requested that the Northern Territory consult with the horticulture industry in that State in developing program guidelines.
