

Services for children with harmful sexual behaviours

FEDERATION FUNDING AGREEMENT – HEALTH

Table 1: Formalities and operation of schedule																																		
Parties	Commonwealth Northern Territory																																	
Duration	This Schedule is expected to expire on 30 June 2026.																																	
Purpose	This Schedule will support the delivery of increased specialist therapeutic services for children and young people with harmful sexual behaviours in the Northern Territory. Specifically, the Schedule will provide the Northern Territory with the funding to procure specialist therapeutic clinicians and health practitioners with the required skills and experience to appropriately assess, and treat children and young people displaying harmful sexual behaviours, make appropriate referrals as needed and support families, carers and other guardians as required.																																	
Estimated financial contributions	The Commonwealth will provide an estimated total financial contribution to the Northern Territory of \$6.097m in respect of this Schedule.
