

Disaster Ready Fund Round Three – Western Australia

FEDERATION FUNDING AGREEMENT – ENVIRONMENT

Table 1: Formalities and operation of schedule

Parties	Commonwealth of Australia (Commonwealth) Western Australia													
Duration	This Schedule will commence as soon as both Parties sign it and will expire on completion of all projects and performance milestones under the Schedule, in accordance with timeframes outlined in the Program Guidelines and Implementation Plan. The Agreement may be terminated earlier or extended as agreed in writing by the Parties.													
Purpose	This Schedule will support the delivery of projects identified through Round Three of the Disaster Ready Fund (Program), which will increase understanding of, build resilience to and mitigate the impacts of natural disasters on Australian communities across the built, social, natural and economic environments and may also be used to support projects identified under future rounds of the Program in accordance with this Schedule. Funding provided under this Schedule will contribute to the delivery of the projects listed at Attachment A , and support state and territory governments with Program administration as established at Attachment B .													
Estimated financial contributions	<p>The Commonwealth will provide to Western Australia an estimated total financial contribution of \$12,065,537.06 (GST exclusive) in respect of this Schedule. Western Australia will be responsible for arranging financial and/or in-kind contributions for projects to an estimated total value of \$5,425,907.00, and for Program administration to an estimated total value of \$180,983.06.</p> <table border="1"> <thead> <tr> <th>Funding category</th> <th>AUD</th> </tr> </thead> <tbody> <tr> <td><i>Estimated*</i> Commonwealth contribution for projects</td> <td>\$11,884,554.00</td> </tr> <tr> <td><i>Estimated*</i> non-Commonwealth contributions for projects (1)</td> <td>\$5,425,907.00</td> </tr> <tr> <td><i>Estimated*</i> Commonwealth contribution for Program administration (2)</td> <td>\$180,983.06</td> </tr> <tr> <td><i>Estimated*</i> Western Australian contribution for Program administration (3)</td> <td>\$180,983.06</td> </tr> <tr> <td><i>Estimated*</i> total budget (projects and Program administration)</td> <td>\$17,672,427.12</td> </tr> </tbody> </table> <p>(1) = value of all financial and in-kind contributions to be provided by Western Australia and third-party project proponents.</p> <p>(2) = In accordance with section 3.1.4 of the Program Guidelines, the Commonwealth contribution for Program administration is up to 1.52 per cent of the total Commonwealth funding awarded to Western Australia for projects under Round Three.</p>		Funding category	AUD	<i>Estimated*</i> Commonwealth contribution for projects	\$11,884,554.00	<i>Estimated*</i> non-Commonwealth contributions for projects (1)	\$5,425,907.00	<i>Estimated*</i> Commonwealth contribution for Program administration (2)	\$180,983.06	<i>Estimated*</i> Western Australian contribution for Program administration (3)	\$180,983.06	<i>Estimated*</i> total budget (projects and Program administration)	\$17,672,427.12

	<p>(3) = In accordance with section 3.1.4 of the Program Guidelines, Western Australia is required to match the administrative funding provided by the Commonwealth (either cash or in-kind).</p> <p>*Amounts shown may not add to totals due to rounding.</p>
<p>Related documents</p>	<p>This Schedule should be read in conjunction with the Disaster Ready Fund Round Three 2025-26 Guidelines (Program Guidelines) and the latest version of the Disaster Ready Fund Audit and Reporting Framework (Audit and Reporting Framework) as published on the National Emergency Management Agency’s website and amended from time to time. To the extent that this Schedule applies, or is proposed to apply, to a project identified under a future round of the Program, this Schedule should be read in conjunction with the Disaster Ready Fund guidelines applicable to that particular round and references in this Schedule to the ‘Program Guidelines’ are references to those guidelines (rather than the Disaster Ready Fund Round Three 2025-26 Guidelines) for the purposes of that project.</p>
<p>Additional terms</p>	<p>Allocation of funds</p> <p>(1) The Parties understand that this Schedule is made in good faith and there is an expectation that funding will be apportioned to projects as shown at Attachment A, and used for Program administration as shown at Attachment B.</p> <p>Implementation Plans</p> <p>(2) Implementation Plans for each project under the Schedule will be developed by Western Australia and provided to the Commonwealth for endorsement as soon as possible, but no later than two months after the commencement of this Schedule unless otherwise agreed by the Commonwealth.</p> <ol style="list-style-type: none"> a. The requirements of the Implementation Plans are set out in the Audit and Reporting Framework, to the extent that they are not inconsistent with the terms of this Schedule. b. The Commonwealth will review Implementation Plans within four weeks of receipt. c. Expenditure of Commonwealth funds awarded cannot be incurred until the Commonwealth has endorsed the Implementation Plan for that project, in writing. d. With written approval from Western Australia, project proponents can commence activities that use only a co-contribution referred to in Attachment A or do not incur expenditure, prior to the endorsement by the Commonwealth of the Implementation Plan. e. The Commonwealth will not be liable, and should not be held as being liable, for any activities undertaken before an Implementation Plan covering that project is endorsed. <p>Performance monitoring and reporting</p> <p>(3) The Parties acknowledge that payments under these agreements would usually be tied to the performance milestones at Table 2 below.</p>

In lieu of milestone based payments under this agreement, Western Australia commits to honouring the reporting obligations required by this Schedule.

- (4) The frequency and timing of reporting under this Schedule is set out at Table 2: Performance requirements and payment summary
- (5) The content requirements of reporting under this Schedule are set out in the Audit and Reporting Framework, to the extent that they are not inconsistent with the terms of this Schedule.
- (6) The Commonwealth may use the Program Reporting Material provided by Western Australia as defined in and required under the Program Guidelines for any purpose, including to inform the monitoring and evaluation of the Disaster Ready Fund.

Third party project proponents

- (7) In line with the Program Guidelines, Western Australia may enter into agreements with third party project proponents to support the delivery of projects under this Schedule.
- (8) While third party project proponents are not signatories to this Schedule, Western Australia is solely responsible for ensuring third party compliance with the *Disaster Ready Fund Act 2019*, obligations set out in the Program Guidelines, and the terms and conditions of this Schedule.
- (9) Subject to clause 2.c, Western Australia can enter into negotiation of funding agreements with third party project proponents prior to the endorsement by the Commonwealth of the relevant Implementation Plans, and must have binding agreements in place with project proponents prior to paying them Commonwealth funds.

Funding Arrangements

- (10) The Commonwealth agrees to provide each state with upfront payment to meet the full approved cost of each project in that state, as set out in Attachment A.

Reallocation of project funding within the same jurisdiction approved by Commonwealth

- (11) Where:
 - a. the final cost of a completed project is less than the approved funding amount shown at Attachment A for that project, or
 - b. a project under this Schedule is unable to be delivered as intended (and cannot be appropriately scaled or varied to enable its delivery) in accordance with the approved project application or, once endorsed, the Implementation Plan,
 any associated Commonwealth funds paid to but not yet spent by Western Australia or project proponents for the purposes of that project (referred to as a 'Project Underspend' for the purposes of this Schedule) may be reallocated to:

- c. other existing projects set out in Attachment A to this Schedule, where those projects can be appropriately scaled or varied, or
- d. new projects which have been assessed as suitable and representing value for money by the Commonwealth in line with the Program Guidelines and relevant legislative requirements and added to Attachment A through variations to this Schedule;

provided that all of the following conditions are met:

- e. there has been no breach of the terms and conditions of this Schedule;
- f. the project for which the reallocated funds will be used is directed towards achieving one or more of the purposes specified in section 20(1A) of the *Disaster Ready Fund Act 2019*;
- g. the project for which the reallocated funds will be used complies with the rules for eligible expenditure under the Program Guidelines (e.g. Commonwealth funds cannot be used to cover project cost overruns); and
- h. the Commonwealth has provided prior written approval of the reallocation, which will not be unreasonably withheld.

Repayment of amounts to the Commonwealth

(12) In accordance with subsection 21(4) of the *Disaster Ready Fund Act 2019*, the Commonwealth reserves the right to recover an amount provided to Western Australia under this Schedule, where:

- a. a Project Underspend has occurred and the Commonwealth has decided not to approve the reallocation of the relevant funds under 11(h) or the conditions for reallocation in clause 11 are otherwise not met;

or

- b. the Commonwealth considers, in its absolute discretion, that there has been a breach by Western Australia of a condition of this Schedule, including those listed in clause 11.

(13) The Commonwealth will determine on a reasonable basis whether an amount should be repaid in relation to clause 12, and if so, how much should be repaid and reasonable timeframe for repayment, with regard to the circumstances of each matter.

(14) The Commonwealth will not recover an amount provided under this Schedule where the funds have been expended by Western Australia or a project proponent in compliance with the terms and conditions of this Schedule and with the relevant Implementation Plan before being notified of the Commonwealth's intention to recover the relevant amount.

Intellectual Property rights

(15) The Intellectual Property arrangements set out in section 12.8 of the Program Guidelines will apply to all funded projects unless an exception has been agreed by the Commonwealth and recorded in the relevant Implementation Plan in accordance with those arrangements.

(16) Western Australia must ensure that binding agreements that give effect to the aforementioned arrangements are in place with project proponents prior to paying Commonwealth funds.
