To the extent that this Schedule applies, or is proposed to apply, to a project identified under a future round of the Program, this Schedule should be read in conjunction with the Disaster Ready Fund guidelines applicable to that particular round and references in this Schedule to the 'Program Guidelines' are references to those guidelines (rather than the Disaster Ready Fund Round Three 2025-26 Guidelines) for the purposes of that project.</p>
Additional terms	<p>Allocation of funds</p> <p>(1) The Parties understand that this Schedule is made in good faith and there is an expectation that funding will be apportioned to projects as shown at Attachment A, and used for Program administration as shown at Attachment B.</p> <p>Implementation Plans</p> <p>(2) Implementation Plans for each project under the Schedule will be developed by Victoria and provided to the Commonwealth for endorsement as soon as possible, but no later than two months after the commencement of this Schedule unless otherwise agreed by the Commonwealth.</p> <ol style="list-style-type: none"> a. The requirements of the Implementation Plans are set out in the Audit and Reporting Framework, to the extent that they are not inconsistent with the terms of this Schedule. b. The Commonwealth will review Implementation Plans within four weeks of receipt. c. Expenditure of Commonwealth funds awarded cannot be incurred until the Commonwealth has endorsed the Implementation Plan for that project, in writing. d. With written approval from Victoria, project proponents can commence activities that use only a co-contribution referred to in Attachment A or do not incur expenditure, prior to the endorsement by the Commonwealth of the Implementation Plan. e. The Commonwealth will not be liable, and should not be held as being liable, for any activities undertaken before an Implementation Plan covering that project is endorsed. <p>Performance monitoring and reporting</p> <p>(3) The Parties acknowledge that payments under these agreements would usually be tied to the performance milestones at Table 2 below. In lieu of milestone based payments under this agreement, Victoria commits to honouring the reporting obligations required by this Schedule.</p> <p>(4) The frequency and timing of reporting under this Schedule is set out at <u>Table 2: Performance requirements and payment summary</u></p>

- (5) The content requirements of reporting under this Schedule are set out in the Audit and Reporting Framework, to the extent that they are not inconsistent with the terms of this Schedule.
- (6) The Commonwealth may use the Program Reporting Material provided by Victoria as defined in and required under the Program Guidelines for any purpose, including to inform the monitoring and evaluation of the Disaster Ready Fund.

Third party project proponents

- (7) In line with the Program Guidelines, Victoria may enter into agreements with third party project proponents to support the delivery of projects under this Schedule.
- (8) While third party project proponents are not signatories to this Schedule, Victoria is solely responsible for ensuring third party compliance with the *Disaster Ready Fund Act 2019*, obligations set out in the Program Guidelines, and the terms and conditions of this Schedule.
- (9) Subject to clause 2.c, Victoria can enter into negotiation of funding agreements with third party project proponents prior to the endorsement by the Commonwealth of the relevant Implementation Plans, and must have binding agreements in place with project proponents prior to paying them Commonwealth funds.

Reallocation of project funding within the same jurisdiction approved by Commonwealth

- (11) Where:
- a. the final cost of a completed project is less than the approved funding amount shown at **Attachment A** for that project, or
 - b. a project under this Schedule is unable to be delivered as intended (and cannot be appropriately scaled or varied to enable its delivery) in accordance with the approved project application or, once endorsed, the Implementation Plan, any associated Commonwealth funds paid to but not yet spent by Victoria or project proponents for the purposes of that project (referred to as a 'Project Underspend' for the purposes of this Schedule) may be reallocated to:
 - c. other existing projects set out in **Attachment A** to this Schedule, where those projects can be appropriately scaled or varied, or
 - d. new projects which have been assessed as suitable and representing value for money by the Commonwealth in line with the Program Guidelines and relevant legislative requirements and added to **Attachment A** through variations to this Schedule;
- provided that all of the following conditions are met:
- e. there has been no breach of the terms and conditions of this Schedule;

- f. the project for which the reallocated funds will be used is directed towards achieving one or more of the purposes specified in section 20(1A) of the *Disaster Ready Fund Act 2019*;

or

- b. the Commonwealth considers, in its absolute discretion, that there has been a breach by Victoria of a condition of this Schedule, including those listed in clause 11.

(13) The Commonwealth will determine on a reasonable basis whether an amount should be repaid in relation to clause 12, and if so, how much should be repaid and reasonable timeframe for repayment, with regard to the circumstances of each matter.

(14) The Commonwealth will not recover an amount provided under this Schedule where the funds have been expended by Victoria or a project proponent in compliance with the terms and conditions of this Schedule and with the relevant Implementation Plan before being notified of the Commonwealth's intention to recover the relevant amount.

Intellectual Property rights

(15) The Intellectual Property arrangements set out in section 12.8 of the Program Guidelines will apply to all funded projects unless an exception has been agreed by the Commonwealth and recorded in the relevant Implementation Plan in accordance with those arrangements.
