

Family Law Information Sharing

FEDERATION FUNDING AGREEMENT – AFFORDABLE HOUSING,
COMMUNITY SERVICES AND OTHER

Table 1: Formalities and operation of schedule	
Parties	Commonwealth New South Wales Victoria Queensland Western Australia South Australia Tasmania Australian Capital Territory Northern Territory
Duration	This Schedule is expected to expire on 30 June 2028.
Purpose	<p>This Schedule will support the delivery of the <i>National Strategic Framework for Information Sharing between the Family Law and Family Violence and Child Protection Systems (National Framework)</i>, including the co-location of child protection and policing officials at family law court registries across Australia.</p> <p>The National Framework supports the appropriate and timely two-way information exchange between the Federal Circuit and Family Court of Australia (FCFCOA) and the Family Court of Western Australia (FCWA) (the family law courts) on the one hand, and state and territory courts, child protection, policing, firearms, and justice agencies on the other.</p> <p>The co-location of state and territory child protection and policing officials performs a range of functions to enhance information sharing and collaboration between the family law courts and their agencies. This is crucial to support informed decision-making to protect and promote the best possible outcomes for children, their families and individuals impacted by family violence, child abuse or neglect risk.</p>

<p>Estimated financial contributions</p>	<p>The Commonwealth will provide an estimated total financial contribution to the States and Territories of \$44.419 million in respect of this Schedule.</p> <p>In addition to this funding, States and Territories must provide co-contributions to support the delivery of the National Framework and/or the Co-location Program. States and Territories are required to report their co-contributions to the Commonwealth through mandatory surveys.</p> <hr/> <p>Table 1</p> <p>(\$ million)</p> <table border="1"> <thead> <tr> <th></th> <th>2025-26</th> <th>2026-27</th> <th>2027-28</th> <th>Total</th> </tr> </thead> <tbody> <tr> <td>Estimated total budget</td> <td>14.557</td> <td>14.812</td> <td>15.050</td> <td>44.419</td> </tr> <tr> <td><i>Less estimated National Partnership Payments</i></td> <td>14.557</td> <td>14.812</td> <td>15.050</td> <td>44.419</td> </tr> <tr> <td>- New South Wales</td> <td>3.411</td> <td>3.468</td> <td>3.523</td> <td>10.402</td> </tr> <tr> <td>- Victoria</td> <td>3.620</td> <td>3.696</td> <td>3.766</td> <td>11.082</td> </tr> <tr> <td>- Queensland</td> <td>2.939</td> <td>2.989</td> <td>3.035</td> <td>8.963</td> </tr> <tr> <td>- Western Australia</td> <td>1.221</td> <td>1.239</td> <td>1.255</td> <td>3.715</td> </tr> <tr> <td>- South Australia</td> <td>1.221</td> <td>1.243</td> <td>1.263</td> <td>3.727</td> </tr> <tr> <td>- Tasmania</td> <td>0.999</td> <td>1.017</td> <td>1.032</td> <td>3.048</td> </tr> <tr> <td>- Australian Capital Territory</td> <td>0.663</td> <td>0.672</td> <td>0.680</td> <td>2.015</td> </tr> <tr> <td>- Northern Territory</td> <td>0.483</td> <td>0.488</td> <td>0.496</td> <td>1.467</td> </tr> <tr> <td><i>Balance of non-Commonwealth contributions*</i></td> <td>-</td> <td>-</td> <td>-</td> <td>-</td> </tr> </tbody> </table> <p><i>*The type and quantum of state and territory co-contributions are not prescribed and will vary across jurisdictions.</i></p>		2025-26	2026-27	2027-28	Total	Estimated total budget	14.557	14.812	15.050	44.419	<i>Less estimated National Partnership Payments</i>	14.557	14.812	15.050	44.419	- New South Wales	3.411	3.468	3.523	10.402	- Victoria	3.620	3.696	3.766	11.082	- Queensland	2.939	2.989	3.035	8.963	- Western Australia	1.221	1.239	1.255	3.715	- South Australia	1.221	1.243	1.263	3.727	- Tasmania	0.999	1.017	1.032	3.048	- Australian Capital Territory	0.663	0.672	0.680	2.015	- Northern Territory	0.483	0.488	0.496	1.467	<i>Balance of non-Commonwealth contributions*</i>	-	-	-	-

<i>Balance of non-Commonwealth contributions*</i>	-	-	-	-																																																									
<p>Additional terms</p>	<p>The Commonwealth financial contribution to each State and Territory has two components.</p> <p>The quantum of the two components for each state and territory is at Attachment A. The funding in the two components must be spent as outlined below.</p> <p>The first component (co-location) must be spent to support the continuation, establishment and/or expansion of the Co-location Program, if applicable.</p> <p>The second component (other funding) allocated to States and Territories must be utilised to establish or support information sharing processes, either by establishing, continuing or expanding co-located officials or to undertake activities that ensure information regarding family violence and child abuse is shared in a timely manner to meet objectives of the National Framework. States and Territories are responsible for allocating this component of funding amongst their agencies (child protection and police/firearms agencies or state and territory courts) as they see appropriate.</p>																																																												

	<p>States and Territories are expected to deliver the program in accordance with public sector ethical values and duties such as probity, accountability, and transparency.</p>
