NATIONAL TAFE NETWORK MATCHED FUNDING ARRANGMENTS

4) Commonwealth and State funding can be used for activities within that state where national benefit is demonstrated, commensurate with the intent of the National TAFE Network.

5) The National TAFE Network approach to matched funding arrangements aligns with clause A119 of the NSA and are to be reconciled over the life of the NSA.

6) Tasmania will provide details of its matched funding contributions (clauses 52 and 53 of the National TAFE Network multilateral implementation plan refer) at the end of each financial year, commencing 1 July 2025 until 31 December 2028. Final payments under the bilateral appendix to the multilateral implementation plan may be reduced where the total contribution by the Tasmanian Government over the life of the project does not align with the Commonwealth contribution.

7) This appendix may be amended at any time by agreement in writing by The Parties to update matched funding, reporting and payment milestones, as appropriate, to reflect project proposal activities developed and agreed by the National TAFE Network Committee through the annual workplan process.
